

HW

Junior Motion Designer / Editor

We work with globally recognized brands, businesses, and marketing agencies. We are a team of creative minds with a true care for our craft, working together to produce the highest level of content for our clients and their audience.

We are looking for a talented, motivated and enthusiastic graduate, who is ready to develop their motion design and editing skills, as well as support our team in the production of engaging and striking motion graphics, animations and films.

Job responsibilities

The successful creative will work closely with our Motion Designer and Editors to produce content for a variety of clients, supporting the team to create films across a broad range of sectors. Additional responsibilities include footage selects, subtitling, research and development.

Work to deadlines

Much of our work is completed under strict client deadlines. Candidates should thrive in this environment, working well under pressure without compromising on attention to detail.

If you have the drive to create content that could take our work to the next level. We want to hear from you.

Candidate Requirements

Basic knowledge of After Effects

Good working knowledge of Adobe Illustrator and Photoshop

Some knowledge/willingness to learn and understand editing and Premiere Pro

Good understanding of design and animation principles

Excellent communication skills

Ability to work under pressure

Ability to work as part of a team to achieve a common goal

Creative collaborator

We're invested in growing a team with a thirst for progression and building on their craft. A strong desire to continue to learn and grow is essential.

Hours

37 hours / week (Flexible working considered)

Salary

£18,000 - £21,000 Depending on experience

Working at H&W

We invest in our staff and help them develop their craft.

We strive for perfection here, but make sure we have plenty of fun along the way. If you're looking for somewhere to work collaboratively with like-minded creatives, you've found the right place.

Flexibility

Our team are often working on multiple projects at any given time. We are looking for someone that's happy to help and assist with edits in Premiere and other occasional office tasks when needed. We believe in building a multi-disciplinary team and are dedicated to reflect this within training opportunities where available.

How to apply

We want to see your latest creations, send us your showreel and links to complete work with an explanation of your role in the projects.

Please send these to studio@hewittandwalker.com
